## FARM BOYS CAMP

Free Trip to the Ohio State Fair First Week in September at Columbus.

On Saturday, August 16, at the court house, 10 o'clock a. m., two boys will be chosen from each county to attend the Ohio State Fair. The State Fair will pay all expenses of the trip. A model Farm Boys' Camp will be established on the State Fair grounds, under the control of the Adjutant General of the state.

This is the third year for this feature. Other states are doing likewise. It is encouragement for the boys. In counties where one or more free trips to Washington are offered to boys who enter into the acre of corn contest, only those boys entered are eligible to compete for the State Fair Free Trip.

The boys must bring note books and visit each department of the State Fair and write a story of his trip. The boys who win this trip must also appear on the program of any public meeting held in his county, if he is invited to do so, and tell the story of what he saw and learned.

On Sunday before the Fair the boys will be the guests of Warden Thomas at the State Penitentiary church services, after which they will be shown all parts of the big prison.

At 6 o'clock Sunday evening, in the shadow of the old cabin in which U. S. Grant was born, the boys will be addressed by the Governor of Ohio, the Chief Justice of the Supreme Court, and the Mayor of Columbus. This sunset meeting will be one of the high spots of the trip.

The entire week's program will be made highly instructive, and will be

a red letter event in the life of the boy who is so fortunate to win it.

The following persons will have a vote in selecting the two boys: County Commissioners, County School Examiners, President and Secretary of County and Independent Fairs, President and Secretary of County Teachers' Institute, Masters of Granges, President and Secretary of County Sunday School Convention, President and Secretary of each regular and independent Farmer Institute, President and Secretary of Farmer Picnics that have been organized for two years or more, each newspaper, and President and Secretaries of Pomona Granges, Pioneer Associations and Farmers' Mutual Insurance Companies, Presidents, Secretaries and Township Vice Presidents of County Crop Improvement Associations. Persons or firms offering a free Washington trip to have one vote for each trip offered. In case the money for the free trip was raised by subscription the officer or person in charge of the subscription to have the vote.

The delegates will meet at the county court house August 16, 1913, at 10 a. m.

Said delegates shall select a President and Secretary and proceed to elect two boys to receive the Free Trip to the Ohio State Fair. Each delegate present to have one vote. No proxies.

## OBITUARY.

William Barton, son of John and Mary Ann Barton, was born in Pickawillan, Cambridgeshire, England, October 31, 1838, and died in Perryburg, Ohio, August 30, 1913, aged 74 years.

He came to America with his parents when but 10 years of age and settled in Medina county, Ohio, and moved to Wood county, near Perryburg, where he grew to manhood.

He was united in marriage to Mary Jolley April 15, 1866, and to this union were born five children—John W. of Portland, Ore.; Harry C. of Toledo, O.; Russel P. and Jessie E. of Perryburg, and Daniel R., who died in August, 1895.

Shortly after his marriage he engaged in the dry goods business and for 39 years continued in the same place of business until his health failed and he was compelled to retire.

He enlisted in the 144th Regiment, O. V. I., and was honorably discharged August 24, 1864. He was christened in the Episcopal Cathedral at Ely, England, and about 30 years ago he joined the Methodist church in

Perryburg, O., under the pastorate of the Rev. J. H. Bethards, D. D., and was a faithful member, serving in nearly all the official relations of the church.

He was the Sunday school superintendent for 22 years, and even when he was not able to bear the burden any longer he was always ready to help in every way he could.

In 1903 his beloved wife was taken from him, and since that time he and his daughter Jessie have lived together, and during all these years of his affliction his daughter has kept ceaseless and untiring vigil, administering to his every want.

He was a member of the Masonic Lodge in Perryburg, also a member of the G. A. R., Wolford Post No. 51. Thus closes a beautiful life and a faithful, conscientious Christian, who was always ready to say when the Master called, "Here am I."

His life may well be summed up in the language of Paul, "I have fought a good fight, I have finished my course, I have kept the faith. Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous Judge, shall give me at that day; and not to me only, but unto all them also that love His appearing."

"The stream is calmest when it nears the tide,  
The flowers are sweetest at the eventide,  
The birds most musical at close of day,  
And saints divinest when they pass away."

The funeral was conducted by his pastor, Rev. E. J. Webster, at his late residence on Second street, August 1, 1913.

## THE BEST PAIN KILLER.

Bucklen's Arnica Salve when applied to a cut, bruise, sprain, burn or scald, or other injury of the skin will immediately remove all pain. E. E. Chamberlain of Clinton, Me., says: "It robs cuts and other injuries of their terrors. As a healing remedy its equal don't exist." Will do good for you. Only 25c. at C. F. Champney.

## HIGH SCHOOL TEACHERS.

Charles Henderson Detling, of Ansonia, Ohio, has been elected as principal of the high school for 1913-14. Mr. Detling is 24 years of age and is married. He graduated from Miami University with the B. A. degree in 1912. He has had three years of experience in teaching; the last year he was instructor in science in Oberlin Academy. During his college course he specialized in science and his major work in the high school will be science. Although he is not a trained coach he has a practical knowledge of football, baseball and basketball and plays each of these games. Those who know Mr. Detling as a student and those who know him as a teacher speak of him as a strong and able man, who underestimates his own ability. He was the unanimous choice of the school board from a long list of applicants.

The assistant principal was selected from even a longer list of applicants than was the principal—Miss Gladys Ninegar, of Hilliards, Ohio, was the choice. Miss Ninegar received her B. A. degree from the Ohio Wesleyan University and has had two years of practical work in high school. Last year she was principal of Gambier High School and brought to the board an unusually fine recommendation from the superintendent of Gambier, with respect to her scholarship, her discipline, her ability to instruct, her address and her winning qualities. Her special work will be Latin and German. She is also a pianist of some ability. She is 22 years of age and well qualified for the position of assistant in the high school.

In selecting a specialist in music and drawing the board were unusually fortunate in securing Miss Jean M. Hamilton, of Rhineland, Wis., who also has had several years of successful experience in music and drawing and has assisted in the academic work of the high school. Miss Hamilton has the collegiate degree of B. A. besides her special diplomas in music and in drawing. Her actual teaching experience was gained in the west and because of her wish to be in Ohio this year the Perryburg board was able to secure her services. The confidential reports which came into the hands of the board were fine and beyond the ordinary.

To secure three new teachers for the high school each of whom has had two or more years of successful experience, and each of whom is well recommended by the supervisor of their last year's work is a very unusual and surprising experience for Perryburg. The Journal congratulates not only the board but the superintendent and the pupils who will have these teachers as their associates and instructors.

## COSTLY TREATMENT.

"I was troubled with constipation and indigestion and spent hundreds of dollars for medicine and treatment," writes C. H. Hines, of Whitlow, Ark. "I went to a St. Louis hospital, also to a hospital in New Orleans, but no cure was effected. On returning home I began taking Chamberlain's Tablets, and worked right along. I used them for some time and am now all right." Sold by all dealers.

## HORSEMANSHIP STUDENTS.

Dayton is preparing to entertain between 9,000 and 10,000 horseman students, August 12 to 16. A convention will be held at the fairgrounds to be devoted to discussing all phases of horse life and the training of animals. Mayor Edward Philipps will welcome the delegates and visitors. The sessions will be presided over by Jesse Beery, of Pleasant Hill, Ohio, and will be largely devoted to discussing habits and traits of horses and methods for their correction. Several car loads of animals will be used for purposes of demonstration.

Motion pictures will be taken of the unique gathering and exhibition.

Journal readers can no longer doubt the evidence.

It's convincing testimony—twice-told and well confirmed.  
Journal readers should profit by these experiences.

Erwin Bros., Fifth St., Perryburg, Ohio, says: "My opinion of Doan's Kidney Pills remains the same as when I publicly expressed it in 1906. The benefit I got at that time has been lasting. I was annoyed by attacks of pains in my back and the trouble was always worse when I got up in the morning. Reading of Doan's Kidney Pills, I used them and my trouble soon ceased. I know of other people who have taken this remedy with benefit."

## LAXATIVE for Aged People

THE BANE of old age is constipation. The bowels become weak and unable to perform their functions without aid. For this purpose only the mildest and gentlest laxative should be used. The use of harsh cathartics aggravates the trouble and makes the constipation worse. Chamberlain's Tablets are a favorite with people of middle age and older on account of their gentle action.

## Chamberlain's Tablets
